DOMAINE DE CHASSORNEY

Arcenant, Bourgogne

The Domaine de Chassorney was founded by Frédéric Cossard in 1996 with just a few small parcels in Saint-Romain and Auxey-Duresses and now comprises ten hectares of vines spread across several villages in the Côte de Beaune.

After several years working alongside Fred, from the 2022 vintage his old friend Aurélien Verdet has taken the reins at the domaine, making the wines in his family's cellar in the village of Arcenant. Aurélien's father was a pioneer of organic farming in Burgundy and so it comes as no surprise that he has continued Fred's spirited work in the vines. Many of the parcels have now been farmed organically for several decades.

Much like his mentor, Aurelien practises long, gentle infusions of whole bunches for Pinot Noir, whilst the whites are pressed directly to concrete eggs for élevage. Built on a backbone of pristine fruit, the resulting wines are elegant, classical expressions of Burgundy.

AUXEY-DURESSSES ROUGE LES CRAIS

2022

Pinot Noir from a small, sixty year old parcel that has a knack for producing wines of real finesse. This is perhaps the most elegant and restrained of these releases, offering classic notes of red berries, earth and minerals. Drinking beautifully now, it would be worth putting some of these away to revisit over the coming years.
