## DOMAINE DE CHASSORNEY

Arcenant, Bourgogne

The Domaine de Chassorney was founded by Frédéric Cossard in 1996 with just a few small parcels in Saint-Romain and Auxey-Duresses and now comprises ten hectares of vines spread across several villages in the Côte de Beaune.

After several years working alongside Fred, from the 2022 vintage his old friend Aurélien Verdet has taken the reins at the domaine, making the wines in his family's cellar in the village of Arcenant. Aurélien's father was a pioneer of organic farming in Burgundy and so it comes as no surprise that he has continued Fred's spirited work in the vines. Many of the parcels have now been farmed organically for several decades.

Much like his mentor, Aurelien practises long, gentle infusions of whole bunches for Pinot Noir, whilst the whites are pressed directly to concrete eggs for élevage. Built on a backbone of pristine fruit, the resulting wines are elegant, classical expressions of Burgundy.

BOURGOGNE EN CARRAN LA CROIX DE BERNARD

*2020*

From a tiny parcel of twenty year old vines of Pinot Noir farmed in the limestone rich area of Saint-Romain. The élevage in qvevris has really allowed this site to sing, producing a soft, supple and elegant wine with gorgeous perfume. With the site occupying just a third of a hectare, they've decided only to bottle magnums of this.
