LA GRAPPERIE

Coteaux-du-Loir, Loire

Renaud Guettier is based in the village of Bueil-en-Touraine in the Coteaux-du-Loir, an area which is undoubtedly one of the Loire's great terroirs.

Renaud trained as an agronomist specialising in plant physiology and in 2004 purchased half a hectare of old vines from his stepfather. Over the past decade he has acquired old parcels of Chenin Blanc and Pineau d'Aunis bit by bit and now farms a few dozen plots across five hectares, with an average vine age of eighty years.

The terroir is a combination of clay, flint and limestone and farming is meticulous, done organically, without the use of chemicals or pesticides. Grapes are hand picked and brought to his cave in a former quarry dug into the limestone cliffs where they are fermented, pressed manually and fed by gravity to the cellar below. There they see a year or two of élevage resting in old wooden casks, something Renaud considers vital when producing wines as he does, without anything added at any stage. Renaud produces wines of uncommon power, balance and detail that possess a remarkable ability to age.

LE PRESSOIR DE ST PIERRE 2020

Chenin from vines up to eighty years old, this was pressed directly to old barrels for a year of élevage. Reflecting the warmth of the vintage, this offers an explosion of ripe stone fruits, hazy minerals and the unmistakable imprint of flint. A wine of boundless energy, it will continue to evolve beautifully over the coming years.
