DOMAINE DE CHASSORNEY

Arcenant, Bourgogne

The Domaine de Chassorney was founded by Frédéric Cossard in 1996 with just a few small parcels in Saint-Romain and Auxey-Duresses and now comprises ten hectares of vines spread across several villages in the Côte de Beaune.

After several years working alongside Fred, from the 2022 vintage his old friend Aurélien Verdet has taken the reins at the domaine, making the wines in his family's cellar in the village of Arcenant. Aurélien's father was a pioneer of organic farming in Burgundy and so it comes as no surprise that he has continued Fred's spirited work in the vines. Many of the parcels have now been farmed organically for several decades.

Much like his mentor, Aurelien practises long, gentle infusions of whole bunches for Pinot Noir, whilst the whites are pressed directly to concrete eggs for élevage. Built on a backbone of pristine fruit, the resulting wines are elegant, classical expressions of Burgundy.

SAINT-ROMAIN COMBE BAZIN

2020

From a single vineyard of Chardonnay planted high on the steep slopes of Saint-Romain, where you find a high percentage of limestone. This is the domaine's most iconic wine and it is easy to see why. Even in this warmer vintage, this remains a Chardonnay of real lift and verve, with wonderful acidity and a chalky, mineral imprint from the calcareous soils.
