DOMAINE DE CHASSORNEY

Arcenant, Bourgogne

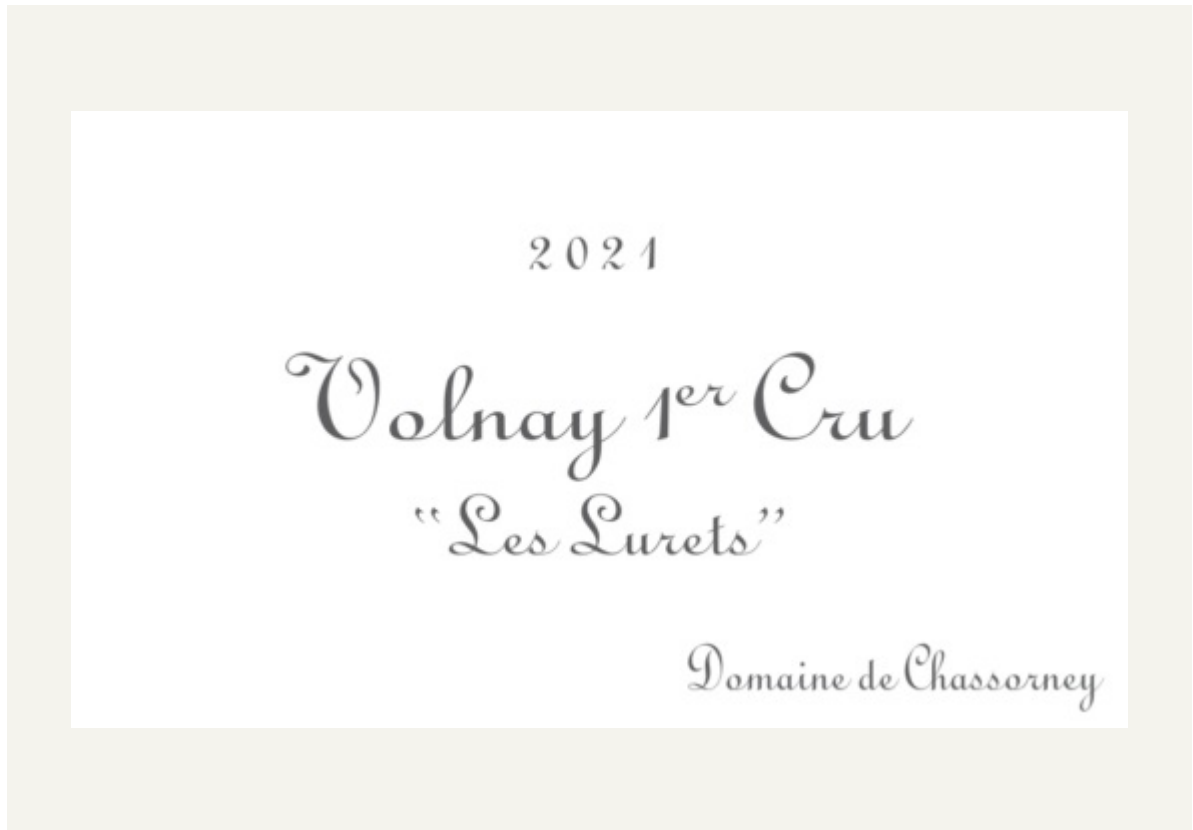

The Domaine de Chassorney was founded by Frédéric Cossard in 1996 with just a few small parcels in Saint-Romain and Auxey-Duresses and now comprises ten hectares of vines spread across several villages in the Côte de Beaune.

After several years working alongside Fred, from the 2022 vintage his old friend Aurélien Verdet has taken the reins at the domaine, making the wines in his family's cellar in the village of Arcenant. Aurélien's father was a pioneer of organic farming in Burgundy and so it comes as no surprise that he has continued Fred's spirited work in the vines. Many of the parcels have now been farmed organically for several decades.

Much like his mentor, Aurelien practises long, gentle infusions of whole bunches for Pinot Noir, whilst the whites are pressed directly to concrete eggs for élevage. Built on a backbone of pristine fruit, the resulting wines are elegant, classical expressions of Burgundy.

VOLNAY 1ER CRU LES LURETS

2021

From a small parcel of forty year old vines of Pinot Noir that the Cossards farm in the premier cru 'Les Lurets', this remains one of our favourite wines from the appellation. This cooler vintage has produced a more compact, pretty and perfumed expression of site that is impossible to resist.
