DOMAINE DE CHASSORNEY

Arcenant, Bourgogne

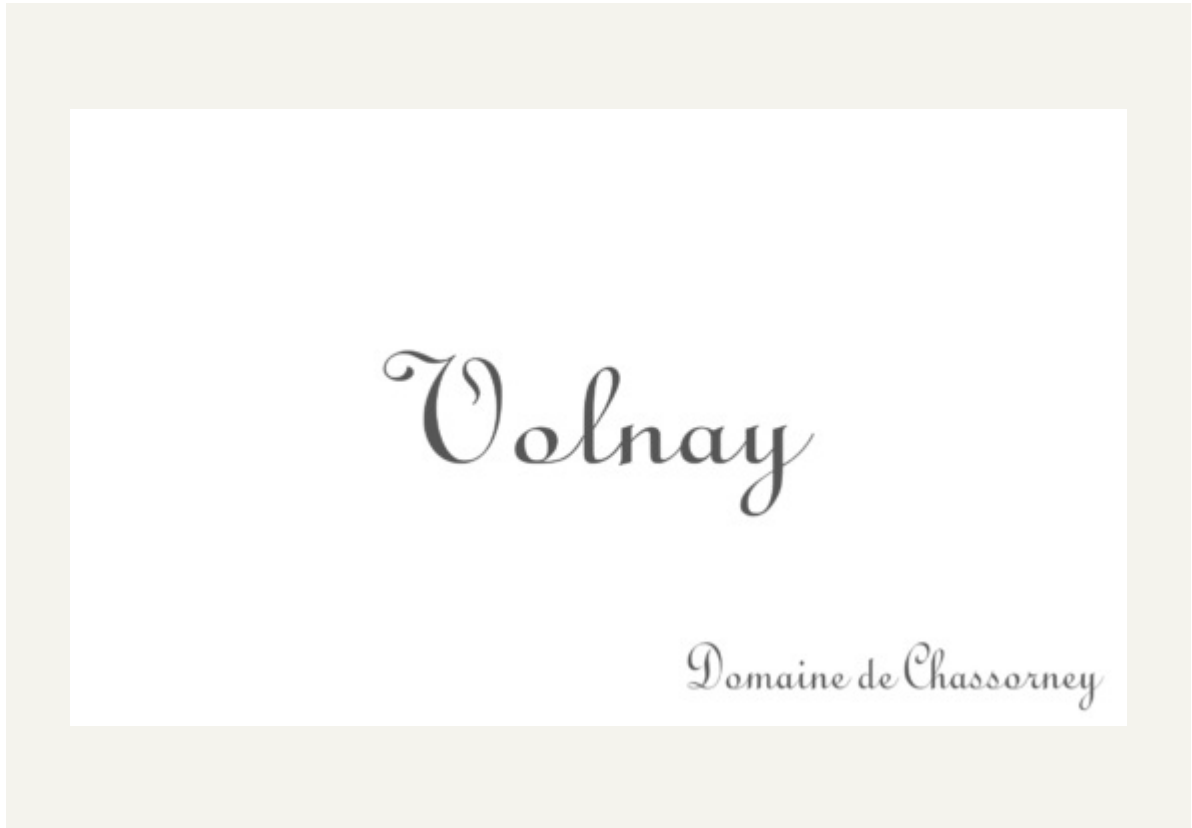

The Domaine de Chassorney was founded by Frédéric Cossard in 1996 with just a few small parcels in Saint-Romain and Auxey-Duresses and now comprises ten hectares of vines spread across several villages in the Côte de Beaune.

After several years working alongside Fred, from the 2022 vintage his old friend Aurélien Verdet has taken the reins at the domaine, making the wines in his family's cellar in the village of Arcenant. Aurélien's father was a pioneer of organic farming in Burgundy and so it comes as no surprise that he has continued Fred's spirited work in the vines. Many of the parcels have now been farmed organically for several decades.

Much like his mentor, Aurelien practises long, gentle infusions of whole bunches for Pinot Noir, whilst the whites are pressed directly to concrete eggs for élevage. Built on a backbone of pristine fruit, the resulting wines are elegant, classical expressions of Burgundy.

VOLNAY

2021

The wine the Cossards produce from their vineyards in Volnay is always one of our favourite expressions of Pinot Noir and this is no different. From a cooler vintage, this already bears all the hallmarks of the very best wines from the village, offering a gorgeous perfume of berries, earth and exotic spice.
